*We are people of a tradition that believe we are drawn together in fellowship, celebration and worship in the name of our Lord, Jesus Christ. We are not isolated individuals but a community united through our faith. The call to ordained ministry and certifications as church educators requires continual surrender to God, preparation to share the faith and nurturing of God's people.*

*We encourage you to call or write a brief note to the pastor or church educator listed on this quarterly calendar affirming them with our prayers.*
